Soft Skills: Problem-solving, teamwork, adaptability, time management

Achievements

Consistently achieved Distinctions in HNC and HND courses.

Recognised for reliability and professionalism in previous roles.

Building a personal portfolio website to showcase design and coding projects.

Personal Statement

I'm a third-year Web Development and Design student with a strong academic background, having achieved Distinctions in both my HNC and HND. I enjoy bringing creative ideas to life through clean, user-friendly websites and I'm continuing to build my skills and knowledge as I complete my degree. My previous roles in customer service and administration have given me great communication, organisation, and problem-solving skills that I now apply to my studies and projects. I'm keen to grow as a developer and contribute fresh ideas, creativity, and enthusiasm to future opportunities.

Education

2025-2026
